Section 3 Requirements

- Perform best efforts to provide employment and training opportunities generated by the project to Section 3 workers.
- The project has the following benchmarks (goals):
 - 25 percent or more of the total number of labor hours worked by all workers are worked by Section 3 workers.
 - 5 percent or more of the total number of labor hours worked by all workers are worked by Targeted Section 3 workers.

This form should be completed by each contractor engaged on the project to communicate estimates for new employment and training opportunities arising as a result of the project's scope of work.

- Provide the complete list of work classifications/job titles and the number of workers required to complete the scope of work.
- Of the work classifications job/titles required for the scope of work, provide the number of workers currently employed to fulfill the scope. *How many workers currently employed to handle this work?*
- Of the work classifications/job titles required for the scope of work, provide the number of individuals that must be hired to fulfill the scope. *How many individuals will need to be hired to handle this work?*

If no number is entered under the "# Must Hire" column, the contractor is communicating the company has a full team to complete the scope of work and will not need to hire new workers. Should this information change during the duration of the project, the contractor is required to notify the general contractor and provide hiring preference to Section 3 workers.
