

Intent to Subcontract Statement

Contractors engaged on this project must document plans to subcontract work. This form should be completed before a contractor begins work on the project.

Project Component	
Contractor Name	
Contact Name	
Telephone Number	
Email Address	

☐ The contractor named above will self-perform all work on the project.

By selecting this statement, the contractor confirms that all contractual obligations will be performed by paid workers of the contractor named above.

If the contractor determines additional contractor(s) must be hired to fulfill its contractual obligations, the contractor will immediately notify the general contractor and complete a new Intent to Subcontract Statement.

☐ The contractor named above will subcontract work on the project to the following contractors:

Contractor Name	Contract Amount	MBE	WBE	Section 3
	\$			
	\$			
	\$			
	\$			

The contractor must provide the general contractor a copy of the agreement between the subcontractor(s) named above that includes all requirements governing the project. In the event the contractor determines additional contractors, beyond those named above, must be hired, the contractor will immediately notify the general contractor and revise the Intent to Subcontract Statement.

I affirm and certify that the selected statement is true and accurate to the best of my knowledge. Any requested information will be provided to the general contractor with this completed document.
